

2024 Cookie Program Tips for Troops

Be ready to participate in our Girl Scout Cookie Program!

1. Ensure all Girl Scouts are registered for 2024.

Check your Girl Roster in the Volunteer Toolkit. If any girl is not showing up, determine if she needs to register, renew, or complete a transfer request.

Email CustomerCare@GirlScoutsOC.org for assistance.

2. Recruit a Cookie Team of adult volunteers.

Refer to our [flyer](#) on gscookiesetc.org for ideas on how to divide up the tasks. Don't do it all yourself!

3. Ensure your Cookie Team is ready for training!

Check to see if adult volunteers are registered with a current background screening on file. Volunteers should take training through the GS Learn tab in [myGS](#) or register for a virtual webinar training through the [GSOC Calendar](#). Training begins on November 20, 2023.

4. Submit Troop Banking form.

Go to GSCookiesEtc.org/cookies, click on the Resources tab, find the link under **Troop Forms** & submit the online Troop Banking Form today!

5. Set Goals with Girls!

What do your girls want to learn this year? Who do they want to help? Where would they like to go? Once your girls have set goals, you can determine how much money is needed to fund their plans...that's your troop's cookie goal!

6. Be In the Know!

Check GSCookiesEtc.org/cookies for more info!
