Troop Instructions

Congratulations! Your Service Unit is participating in a Mega Delivery. Volunteers & staff will be distributing approximately **75,000 cases of Girl Scout cookies to 650 Troops** all in one day. It's an awesome adventure and we thank you in advance for being prepared to help this process move smoothly!

- Only an adult passenger in a pick-up vehicle will be allowed out of the car to be the counter and/or loader for that troop.
- Troop loader/counter volunteers who drive themselves will park their car as instructed at the mega delivery, and walk alongside their troop's vehicles.
- The passenger of each vehicle will be the counter and loader for that vehicle.
- Loaders/Counters **do NOT need to be Girl Scouts!**
