

IT'S MYSTERY HOUSE TIME!

FEBRUARY 28 - MARCH 12, 2023

There is at least ONE secret Mystery House in nearly every Service Unit. Each Girl Scout to stop by a Mystery House location and/or leave a cookie door hanger will receive a certificate and a special patch!

Here's how it works:

- There are several Mystery House locations throughout Orange County.
- Each Girl Scout to leave a door hanger or visit a Mystery House in person location will receive a certificate and patch!
- Girls should leave a door hanger with the girl's first name, Troop # and contact information for an adult leader or parent/guardian.
- Hosts will provide GSOC with the information for each Girl Scout who has left a door hanger or visited in person. GSOC will mail the patch & certificate directly to each Girl Scout.
- Girls should not ask customers if they are a Mystery House. Girls must follow all Girl Scout safety rules and should not enter homes.
