Thank you for your payment. Attached is your City of Garden Grove Business License Tax Certificate. It is an annual, anniversary dated business license, based on the start date of your business activity in our city. You will receive a renewal notice approximately 20 days prior to the business license expiration date. Business License taxes for Garden Grove are based on gross receipts in arrears. (Some exceptions apply) The amount your business entity will owe at renewal time is based on the gross receipts generated for the previous year's effective dates of your business license.

If your business is located in a commercial location, you must post your Business License Tax Certificate in public view, or conspicuous location.

If you have any changes to the information on file with our office, including a new mailing address, if your business has moved locations, or if you have ceased your business activity to name a few, please contact us as soon as possible.
