

# Care to Share

## What is a Care to Share?

During the Fall Product Program, Girl Scouts have the opportunity to give back to their community by offering "Care to Share" to Fall customers.

Care to Share allows customers to make a donation of nuts and or candy items instead of purchasing the items for themselves. The donated items are then distributed to U.S military and local Orange County food banks. Girl Scouts who sell 8 or more Care to Shares will earn a special patch!

For more information on the Fall Product Program Care to Share donations, click [HERE](#)

## Care to Share Receipts

Customers who purchase a Care to Share can receive a Care to Share receipt instead of an item. You can find [printable](#) and [fillable](#) (online) Care to Share receipts are on the GSOC Product website at [GSCookiesetc.org/fallproduct/resources](http://GSCookiesetc.org/fallproduct/resources). Don't forget to let your customers know that Care to Share purchases are tax deductible.

<b>CARE TO SHARE</b>	girlscouts of orange county
<b>THANK YOU!</b>	
Your tax deductible donation of _____ cans of nuts is very much appreciated!	
These cans of nuts will be donated to: <u>U.S. Military &amp; Orange County food banks</u>

Tax ID # 95-2023244	

## Thank your Customers with a card!

You can color or write in a Care to Share Thank You card and hand this to your customers along with their Care to Share receipt. Thank You Cards are a great way for Girl Scout Entrepreneurs to show their good customer skills and business ethics.

## You can show the U.S Military your thanks

Girl Scouts who sell Care to Share can show thanks to the military by writing in and coloring a Thank You card. Girl Scouts can turn in Thank You cards by dropping them off at the GSOC Council headquarters by the last day of the Fall Product Program. Our Council will send the cards with our donations to the military. Thank You cards are a great way to show your appreciation!

- 🍀 **Important Reminder:** Only use your first name or Girl Scout Troop# when signing the card.
